
Privacy Policy for Meatloaf For Everyone LLC

Last updated: January 22, 2025

Meatloaf For Everyone LLC ("we," "our," or "us") respects your privacy. This Privacy Policy explains how we collect, use, and protect your information when you use our mobile application, **Practice Player** (the "App").

1. Information We Collect

a. Usage Data

We collect usage data about the length of time you spend playing songs in the App. This data is used solely to display practice time and stats to you. It is stored locally on your device, is not uploaded to the cloud, shared with third parties, or used to track you in any way.

b. Advertising Data

The App uses your **Identifier for Advertisers (IDFA)** to display advertisements through Google AdMob. This data helps us maintain a free experience for unpaid users. No other personal data is collected for advertising purposes.

c. Imported Songs

The App imports songs from your iTunes or Apple Music library solely to enable features like adjusting speed, pitch, panning, and looping sections of songs for practice purposes. This information is processed locally on your device and is not shared with third parties.

d. Feedback

If you choose to provide feedback through the App's feedback link, we may collect the information you provide (e.g., your email address or comments) to address your inquiry or improve the App.

2. How We Use Your Information

We use the information collected to:

- Provide and maintain core App functionality, such as tracking practice time and enabling music playback enhancements.

- Display advertisements to unpaid users using Google AdMob.
 - Respond to user feedback when submitted through the App.
-

3. Sharing Your Information

We do not share your information with third parties, except as necessary for:

- **Advertising:** Google AdMob collects limited data (e.g., IDFA) to display ads. For more information, see [Google's Privacy Policy](#).
 - **Legal Obligations:** If required by law or to protect our rights.
-

4. Data Security

We do not collect or store your data on centralized servers or in the cloud. All usage data remains on your device. If you send feedback through the App, we use the information you provide (e.g., email address or comments) solely to respond to your inquiry or improve the App. No other data is collected, stored, or processed.

While we take steps to secure communication through the feedback link, we encourage you not to share sensitive or personal information in your feedback submissions.

5. Your Choices

You have control over your data:

- **Ad Preferences:** You can manage or disable personalized ads by adjusting your device's privacy settings for the IDFA.
 - **Usage Data:** Usage data is stored locally on your device and is not uploaded or shared, giving you full control.
 - **Imported Songs:** The imported song data remains on your device and is not shared or stored elsewhere.
-

6. Third-Party Services

The App integrates with Google AdMob to display advertisements. This third-party service may collect limited data as outlined in their privacy policy. For more information, visit [Google's Privacy Policy](#).

7. Children's Privacy

The App is intended for general audiences and is not directed at children under 13. We do not knowingly collect personal information from children. If you believe we have collected data from a child under 13, please contact us at general@meatloafforeveryone.com, and we will promptly delete the information.

8. International Users

If you are accessing the App outside the United States, be aware that your data may be transferred to and processed in the United States. By using the App, you consent to this transfer.

9. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any significant changes will be communicated through the App or via email. We encourage you to review this Privacy Policy regularly.
